

**Rick Brendler, AIA, *President, CEO***

Rick Brendler, AIA founded B&A Architects, Inc. in 1980. As Principal, Mr. Brendler has guided many projects to a successful completion. His broad base of experience is evident in his design and guidance of housing projects representing over \$1.5 billion in budgeted construction costs for both new and renovated uses. Having designed and completed over 40,000 multi-housing units, Mr. Brendler has become well known as an authority in the industry.

Mr. Brendler also has a versatile range of project experience in other industries including Hospitality/Conference Centers, Resort Developments, Service Centers, Restaurants/Food Service Facilities and Parochial Schools/Classroom Buildings.

Rick has given of his time and talents with participation in various community efforts. He has encouraged the same of his associates in participating in the San Antonio business committee for the arts, community and chamber task forces and special committees involving land use, special projects, downtown revitalization and public art.

Currently Rick is working on projects throughout Texas, Mississippi, Arizona and Florida.

Rick received his Bachelor of Architecture degree from Texas A&M University at College Station, Texas. Rick is an active member of the National Council of Architectural Registration Boards, American Institute of Architects, Texas Society of Architects, Florida State Board of Architecture and the San Antonio Business and Economic Society. Rick is also a Registered Architect in Texas, Florida, Arizona, South Carolina and is also an independently licensed architect in the state of Mississippi.

In addition to his Architectural practice, Mr. Brendler has participated in the real estate and development industry. In the early eighties he was a founding principal in Rhema Investments Inc. and Property Assistance Corporation, real estate investment and development companies with offices in San Antonio and Austin, Texas. In 2000, he cofounded Oakwell Ventures, Inc. to create and participate in real estate and development opportunities throughout the state of Texas.

**Gregory M. Davis, AIA, *Vice President***

Gregory M. Davis, AIA is responsible for marketing and design coordination of the firm. He specializes in projects relating to education, religion, hospitality and retail. He has been project architect and principal in charge on St. Peter Catholic Church (Boerne), Omega Center Expansion, Church of the Ascensions, Willie Velasquez Learning and Leadership Center and developed the concept design for Eye Care Centers of America (EyeMasters).

Greg's experience provides a unique resource to our clients. His work with client groups in obtaining consensus on projects stems from the workshop concept he developed in working with church group decision making. He is a certified liturgical consultant and has collaborated with over 25 congregations from development of master plans to dedication of their facilities. His work has been published in several books and magazines and has been awarded for excellence in design.

Currently Greg is a registered Architect in Texas, Arizona, Florida, New Mexico, Oklahoma, Georgia, Alabama, North Carolina.

Greg received his Bachelor of Architecture degree from Texas Tech University in 1976 and acquired his graduate studies in Urban Planning from the University of Texas 1978-1980. He attended the Catholic Theological Union in Chicago 1996-1997 for Liturgical Design Consultant. Greg served in the USAF at the

National Security Agency (NSA) 1969-1972, and taught architecture as an adjunct professor at the University of Texas at San Antonio 1978-1986. He also served on the School Board of Holy Cross High school, Board of Directors of the Texas Society of Architects 1992-1996, and is an active member of the American Institute of Architects,

**Richard H. MyCue, *Vice President***

Richard H. Mycue is responsible for directing the firm's master planning and its development services. He also participates in staff and consultant review activities in feasibility studies and project design. Richard's experience ranges from historical preservation, civic projects, and transportation projects to large urban planning design. Applying his abilities to a wide range of master planning efforts he has been involved in planning layouts for Travis Lofts, Villagio Apartments, River Crossing Gulf Club, Huebner Commons Office Complex and numerous multi-family / retail developments.

Richard served in the US Army Security Agency from 1965-1969. Prior to starting his own firm he was a staff architect for the Texas Parks and Wildlife from 1974-1976. His historic work included preservation plans, surveys, and documentation of existing historic structures. In 2000 Richard joined the B&A Architects team.

Richard received his Bachelor of Architecture degree from the University of Texas at Austin graduating Summa Cum Laude. After receiving a Masters of Urban Planning from the City University of New York he worked in the New York and Houston offices of Philip Johnson, F.A.I.A. and was affiliated with many high-rise projects.

**Gerardo "Gerry" Noriega, AIA, *Senior Associate***

Gerry has been in the architecture industry since 1994 and is a licensed Architect in the state of Texas since early 2005. He manages the design and production of construction documents for a wide variety of projects and client types. He has experience in many multi-family projects in the public (HUD) and private sector, retail, office and small medical office buildings. He is a Senior Associate of the firm and as such holds responsibility for reviewing all contracts, scheduling personnel, quality control of documents, and is a major decision maker in the firm's future growth and direction.

Gerry received his Environmental Design Bachelor degree from the Texas A&M University College of Architecture, College Station, Texas in 1994, and participated in the Study Abroad Program - Fall of 1991 in Castiglione Fiorentino, Italy at the Santa Chiara Study Center. He was also part of the San Antonio AIA Chapter first group - Professional Practice Leadership Program – 10 month course.

He is currently a member of the American Institute of Architects (AIA), Texas Society of Architects (TSA), AIA's Urban Affairs Committee, and formally a member of the Jardin de St. James Housing Trust.
